Directors' report

The directors submit their report and audited accounts for the year ended 3 February 2008.

Principal activities and business review

The group's principal activities comprise property investment and managing an investment portfolio. The group will continue with these activities for the foreseeable future.

The financial results for the year are set out in the financial statements and show profit for the year was £1,063,000 (2007: £1,103,000).

Dividends

The group paid an interim dividend in respect of the year ended 3 February 2008 of £nil (2007: £15,000,000). The directors do not recommend the payment of a final dividend for the year.

Directors

The directors who held office during the year are shown on page 1.

Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the group and the parent company financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

The group and parent company financial statements are required by law to give a true and fair view of the state of affairs of the group and the parent company and of the profit or loss for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group and the parent company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the parent company and enable them to ensure that its financial statements comply with the Companies Act 1985. They have a general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the group and to prevent and detect fraud and other irregularities.

Disclosure of information to auditors

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Group's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the Group's auditors are aware of that information.

Policy and practice on payment of creditors

The group's policy, in relation to all of its suppliers, is to settle the terms of payment when agreeing the terms of the transaction and to abide by those terms provided that it is satisfied that the supplier has provided the goods or services in accordance with the agreed terms and conditions. The group does not follow any code or standard on payment practice but it is the group's policy to pay all of its suppliers within 45 days of the end of the month in which it receives the goods or services.

Purchases made by the company itself are, with very few exceptions, made from subsidiaries and do not, therefore, involve taking credit from external suppliers.

Directors' report (*continued*)

Political and charitable contributions

During the year the group made no charitable donations (*2007: £nil*).

Auditors

In accordance with Section 384 of the Companies Act 1985, a resolution for the re-appointment of KPMG LLP as auditors of the company is to be proposed at the forthcoming Annual General Meeting.

By order of the board

Independent auditors' report to the members of Muir Holdings plc

We have audited the group and parent company financial statements of Muir Holdings plc for the year ended 3 February 2008 which comprise the Consolidated Profit and Loss Account, the Consolidated and Company Balance Sheets, the Consolidated Statement of Total Recognised Gains and Losses and the related notes. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the Directors' Report and the financial statements in accordance with applicable law and UK Accounting Standards (UK Generally Accepted Practice) are set out in the Statement of Directors' Responsibilities on page 2.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition, we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the group's and parent company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion:

- the financial statements give a true and fair view, in accordance with UK Generally Accepted Accounting Practice, of the state of the group's and the parent company's affairs as at 3 February 2008 and of the group's profit for the year then ended;
- the financial statements have been properly prepared in accordance with the Companies Act 1985; and
- the information given in the Directors' Report is consistent with the financial statements.

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with the items which are considered material in relation to the company's financial statements.

Basis of preparation

The accounts have been prepared under the historical cost accounting rules, modified to include the revaluation of investment properties, and in accordance with applicable accounting standards.

Under Financial Reporting Standard 1 the group is exempt from the requirement to prepare a cash flow statement on the grounds of its size.

Basis of consolidation

The consolidated financial statements include the financial statements of the company and its subsidiary undertakings made up to 3 February 2008.

Under section 230(4) of the Companies Act 1985 the company is exempt from the requirement to present its own profit and loss account.

Investment properties

In accordance with Statement of Standard Accounting Practice No. 19 investment properties are revalued annually and the aggregate surplus or deficit is transferred to a revaluation reserve. Permanent reductions in value are written off to profit and loss account. No depreciation or amortisation is provided in respect of these properties, nor could it be reasonably quantified.

This treatment of investment properties is a departure from the requirements of the Companies Act concerning depreciation of fixed assets. However, because these properties are held for investment, the directors consider that annual depreciation would be inappropriate and that the accounting policy adopted is therefore necessary for the accounts to give a true and fair view.

Tangible fixed assets and depreciation

Tangible assets are depreciated on a straight line basis at the undernoted rates in order to write off their cost or valuation less estimated residual values over their expected useful lives:

Plant and equipment	4-8 years
---------------------	-----------

Turnover

Turnover represents the invoiced value of rental income and dividends received.

Investments

Current asset investments are stated at the lower of cost and market value. Fixed assets are stated at cost less provision for permanent impairment.

Leasing

Operating lease rentals are charged to the profit and loss account on a straight line basis over the period of the lease.

Pensions

A subsidiary company participates in a group pension scheme providing benefits based on final pensionable pay. The assets of the scheme are held separately from those of the company. The company is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis and therefore, as required by FRS 17 'Retirement benefits', accounts for the scheme as if it were a defined contribution scheme. As a result, the amount charged to the profit and loss account represents the contributions payable to the scheme in respect of the accounting period.

Notes (continued)

1 Accounting policies (continued)

Taxation

The charge for taxation is based on the profit for the year and takes account of taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19.

Dividends on shares presented within shareholders' funds

Dividends unpaid at the balance sheet date are only recognised as a liability at that date to the extent that they are appropriately authorised and are no longer at the discretion of the Company. Unpaid dividends that do not meet these criteria are disclosed in the notes to the financial statements.

2	Administrative expenses	2008	2007
		£000	£000
	Administrative expenses include:		
	Auditors' remuneration		
	- audit of these financial statements	1	1
	- audit of financial statements of subsidiaries pursuant to legislation	4	4
	- other services relating to tax	1	1
	Depreciation	3	3
		=====	=====

3	Staff costs	2008	2007
		No	No
	Average number of employees (excluding directors)	1	1
		=====	=====
		£000	£000
	Wages and salaries	60	59
	Social security costs	7	7
	Pension cost - defined benefit scheme	-	2
	Pension cost – defined contribution scheme	7	5
		=====	=====
		74	73
		=====	=====

The company is a member of a group pension scheme, which provides benefits on a final pensionable pay. Because the company is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis, as permitted by FRS 17 "Retirement Benefits", the scheme has been accounted for in these financial statements as if it was a defined contributions scheme. Overall there is a deficit on the group's scheme of £1,009,000 (2007: £1,903,000).

The latest full actuarial valuation of the scheme was carried out on 1 May 2005 and updated for FRS 17 purposes at 3 February 2008 and 28 January 2007 by a qualified independent actuary. The contribution for the year was £790,000 (2007: £825,000). The current employer contribution rate for the scheme is £290,000 per annum.

4 Directors' remuneration

No directors' emoluments were paid during the year (2007: £nil)
